# *Fish Market*

---

A working fish market is a critical component to a casual neighborhood seafood restaurant. The ability for the customer to experience in its raw beauty, the seafood they will order at the table is invaluable to the overall dining experience.

Colorful rows of fresh seafood and a knowledgeable fish monger in house to assure the customer that they are receiving the highest quality fish available.

Fortune Fish is Fahlstrom's Fresh Fish Market's main distributor of our fresh, daily delivered seafood. If there is something that you don't see in our Market, please don't hesitate to ask any of our other knowledgeable Fish Mongers.
